

DEGENERATIVE DISEASES

Impact of environmental pollution and innovative approaches for prevention and therapy

Erice (Trapani) - May 9, 2020

PROGRAM

8:30 - Registration of participants

9:00 - Introduction

Sen. dott. Vincenzo D'Anna

President of National Order of Biologists

Dott. Pietro Miraglia

Vice president of Onb and Sicilian region delegate

Dott. Nicola Locorotondo

Sicilian region commissioner of Onb

9:30-10:15 - Innovative diagnostic techniques and therapies in Neurodegenerative Disorders

Prof. Ubaldo Bonuccelli

*Direttore UOC Neurologia & Dip. A.I. Specialità Mediche, AOU Pisa.
Dip. Medicina Clinica e Sperimentale, Università di Pisa*

10:15-11:00 - Oxidative therapies for the treatment of neurodegenerative diseases

Prof. Giovanni Barco

Istituto Internazionale Barco S.p.a. - Ricerca e cure ossidative - Pisa

11:00-11:20 - Coffee break

11:20-12:05 - Biological Transmutation of Stable and Radioactive Isotopes in Growing Biological Systems and Its Possible Applications in Medicine and Ecology

Prof. Vladimir Vysotskii

Kiev National Shevchenko University, Kiev, Ukraine

12:05-12:50

Prof. Vittorio Sebastiano

Assistant Professor (Research) of Obstetrics and Gynecology (Reproductive and Stem Cell Biology) Institute for Stem Cell Biology and Regenerative Medicine - Stanford University School of Medicine, CA (USA)

12:50-14:30 - Lunch

14:30-15:15 - Cellular differentiation factors in the treatment of degenerative diseases

Prof. Pier Mario Biava

Istituto di ricovero e cura a carattere scientifico Multimedica

15:15-16:00 - Impact of environmental pollution in the development of degenerative diseases and nutritional approach for prevention and therapy

Prof. Francesco Squadrito

Dipartimento di Medicina Clinica e Sperimentale, Università degli Studi di Messina

16:00-16:20 - Coffee break

16:20-17:05 - nutritional therapies in degenerative diseases

Dott.ssa Elke Arod

Nutri-detossicologa, direttore del Centro Stelior di Ginevra- Svizzera

17:05-17:50 - the use of hemp terpenes in the treatment of ALS

Dott. Alfredo Orsingher

Farmacologo, head of medical and marketing communication - ODELFE

Discussion

19:00 - Closing of the conference
